Summary: Join me as I ask the casts of Acchi Kocchi/Place to Place various questions and give them requests. Rules, instructions and notices are given in the first chapter. R&R, because your reviews play an important part in this! Cover is not mine!

1. Chapter 1

Acchi Kocchi with the readers!

Session - 1 (Introductions and explanations)

**Christie: **Hello everyone! This is a place where you, the readers, get to interact with the characters of Acchi Kocchi! Now first of all, a disclaimer, I do not own Acchi Kocchi. There, now that that's done, lest head to the room where the main characters are waiting for an interview.

opens classroom door

Greetings!

**Mayoi: **Hello! We heard you were coming! *right hand up in air as a greeting*

**Sakaki: **So, where are the questions, or requests, or the other people?

**Christie: **They won't be included in this session, the first session is for you guys to introduce yourselves to the readers and get them to know you first.

**Sakaki: **I see, what kind of introductions should we put?

**Christie: **Nothing too formal, just your names are fine.

**Mayoi: **Then I'll start, ahem. My name is Katase Mayoi, you can call me Mayoi. Nice to meet you!

**Sakaki: **I'm Inui Sakaki, nice to meet you. You can ask us any questions you want, so long as it's suitable for all ages.

Io: Do you have to say it like that? Anyway, I'm Otonashi Io. Pleased to be your acquaintance. Pardon us if things get out of hand.

**Mayoi: **What do you mean by that?

**Tsumiki: **It means that you should behave during the sessions we're going to have from now on.

**Mayoi: **Come on, even I can behave myself! That aside, Tsumiki-san, introduce yourself.

**Tsumiki: **My name is Miniwa Tsumiki, I-

**Mayoi: ***imitating Tsumiki's voice* I have a crush on Io~

whole people in room looks at Mayoi

**Tsumiki: **! *blushed and whacks Mayoi in the head* A-anyway, nice to meet you.

**Mayoi: **Ow, that hurtsâ€¦ *placing a hand on bulging pain in her head*

**Sakaki: **You had it coming.

**Christie: **Ahaha, I agreeâ€¦

**Hime: **Ehehe, oh, I-I'm Haruno Hime, pleased to be your acquainted!

**Io: **You mean 'acquaintance'.

**Hime: **Yes, I mean, pleased to be your acquaintance!

**Christie: **Now that the introductions are over-

**Sakaki: **Hold it, you haven't introduced yourself.

**Christie: **Oh yeah, *puts hand in the back of her hear* my name is Christie Ralte, but you can refer to me as Christie. Pleased to be your acquaintance. Ahem, now that all the introductions are over, all that's left is for the reader to send in their questions, the questions that they want to ask you all of course.

**Io: **What kind of questions will we receive?

**Christie: **Oh, various questions, I'm sure. Also, they can make requests to do something to them or among you.

**Mayoi: **Wait! As much as I want to, can we make an adjustment to the last part?

**Christie: **What adjustment?

**Mayoi: **You see, a certain someone might get jealous if the requester ask for a kiss.

both look at Tsumiki

**Christie: **I get what you mean; the result might be scary if we ever let that happen.

**Mayoi: **Exactly, so let's make it so they can request anything but a kiss.

**Christie: **Ok, so everyone out there, the last part is changed to 'the readers may request anything from the main characters, except a kiss', please excuse the sudden change. And, you, the readers will personally ask the characters your questions and requests yourselves, but you have to give me details of your personality, not too detailed, just a fell or something, or the personality you want to be depicted as so that I can make a correct outline of your characters. I hope it's not too much trouble. Also, please make sure it's suitable for all ages, like Sakaki-san mentioned earlier. Now, any last words before we close the session for now?

**Sakaki: **I'll look forward to any questions and requests from my fans.

Io: 'fans' huh, anyway, I look forward to meeting you. *puts on shiny face*

**Mayoi: **I'm ready to face any questions! *fist pumps in the air*

**Hime: **Um, I'll do my best to answer your questions.

**Tsumiki: **I-I guess I have no choice, I'll answer your questionsâ€¦

**Christie: **And that's all for today! We're looking forward to all your questions and requests. Now, *looks at the others* ready, go-

**All: **See you soon!

2. AKFanLove17

Session - 1 (AKFanLove17)

**Christie: **We're back everyone! And someone gave you guys a question! It's our first question for this show!

**Mayoi: **Great! So, what's the question?

**Christie: **I'm not the one that's going to ask you, like I said, they're going to personally ask you themselves.

**Hime: **You mean they're-

**Christie: **Yep, I invited them to come. So, let's welcome AKFanLove17 for today's session!

**AKFanLove17: **Hello, nice to meet you.

**Mayoi: **Welcome welcome.

**Sakaki: **No need to be tense now, ahaha!

**Christie: **Ok, then AKFanLove17, please ask the question you want to ask them.

**AKFanLove17: **Ok. Aside from Tsumiki, who else has a crush?

**Tsumiki: ***blushing madly* W-who said that I-I have a c-crush!

**Mayoi: **Now now, Tsumiki-san, it's so obvious that you like I-gah! *she was sent flying out the door by Tsumiki*

**Hime: **T-Tsumiki-san! Calm down!

**Sakaki: **That's some blowâ€¦

**AKFanLove17: **Umâ€¦ What about my question?

Christie: **Come on guys, don't let our precious guest wait for his/her answer! (AN: **I'm sorry! I don't know your gender! x)

**Sakaki: **Oh, sorry, the question was, 'who else has a crush right'? Umâ€¦ Wait, why would we just confess our crushes?!

**AKFanLove17: **Uh, since I asked for it?

**Christie: **Come one, you can at least answer if you have a crush or not.

**Mayoi: ***recovered from the blow* Nyaha! Then let's start with Hime-chi!

**Hime: **Uweh! Um.. Uhâ€¦ It's not like it's a crush or anything but I really like Io and Sakaki but that doesn't mean I like them in a romantic way or anything but they're like my.. myâ€¦ boy-friend-friends!

**Others except Hime: **boy-friend-friends!?

**AKFanLove17: **Is that the combination of 'boyfriend' and 'friend'?

**Mayoi: **O-k.. Moving on, what about you, Io-san?

**Tsumiki: ***looking at Io expectantly, cat ears appears*

Io: 'do I have a crush'? Hmâ€¦ I'm really close to everyone here but I don't think I have those feelings towards any of them.

**Tsumiki: ***gloomy aura as her cat ears lowered*

**Mayoi: **Really? Not even a teeny-weeny bit of feelings?

**Io: **I guessâ€¦ But if you have to ask if who I'm more close to than the othersâ€¦ *looking at the others* Sakaki's not included since he's a boy, then I would have to say Tsumiki. *smiles at Tsumiki*

**Tsumiki: **! *nose starts bleeding and faints, along with Hime*

**Mayoi: **That's good and all, but Io-san, please don't make them faint any more than this.

**Io: **Hm?

**Mayoi: **Then, moving on, what about you, Sakaki-san?

**Sakaki: **Me? Hmâ€¦ I know quite a few girls and I have feelings for one of them.

**Mayoi: **What!? You never told us that before!

**Sakaki: **Why would I tell you of all people?

**Mayoi: **Because, becauseâ€¦ We're friends, right?

**Sakaki: **That doesn't mean I have to tell you!

**AKFanLove17: **I see, so Sakaki do have a crush.

**Sakaki: **Yeah, I do. There, I said it. Last is you, Mayoi.

**Mayoi: **Me? Umâ€¦ Ehe~ *hands behind her head a smiles*

**Hime: **She just smiled?

**Sakaki: **Hey, stop goofing around!

**Mayoi: **I can't help it! Why do I have to say it too!.. Oh, wait, because AKFanLove17 asked usâ€¦ Argh! *blushes a bit*

**Hime: **Uwah! Mayoi's actually blushing!?

**Sakaki: ***smiles menacingly* So, who's the lucky boy? Eh?

**Mayoi: **I won't tell you either! Fine, I also have a crush!

**Hime: **She actually said it!

**Tsumiki: **I never would've guessed.

**Io: **Yeah, since she's fooling around all the time.

**Mayoi: **That doesn't mean I can't have a crush!

**Christie: **Ok, guys. Calm down. Well, AKFanLove17, how were their

answer?

**AKFanLove17: **I guess they're alright, since they told me some info.

**Christie: **I see, and thank you, main casts of Acchi Kocchi for answering the question, I know it must've been hard for you all to answer.

**Hime: **It's alright.

**Mayoi: **It was a bit hard, but it's ok!

**Sakaki: **Yeah, no need to feel pressured about your question being too hard.

**Christie: **And thank you, AKFanLove17.

**AKFanLove17: **Hm?

**Christie: **Truth be told, I thought I wouldn't receive any questions, let alone requests, but you gave a question. And I'm really happy! Continue to make and ask any questions and requests! And to all the other readers as well! Please ask any questions and ask any requests, we will do our best to answer all of them! Also, multiple questions and requests are also allowed.. It's time to close the session for today, here, AKFanLove17,read this out loud. *hands piece of paper*

**AKFanLove17: ***reads the paper* Thank you for reading, and continue to like Acchi Kocchi.

**Christie: **Oh, almost forgot, I don't own Acchi kocchi either! Now, one, two-

**All: **See you all next time!

3. Penguchan

Session 3 â€“ Penguchan

**Christie: **Hey there! We're back to another session of 'Acchi Kocchi with the readers'!

**Mayoi: **Yay yay! So, what questions do we have this time?

**Chrisite: **We're getting to that, but first, as the title of the session displays, it's getting boring to be in the classroom for every session, so let's go to a different place, shall we?

Hime: 'The title displays'?

**Tsumiki: **It roughly translates as 'Here and there with the readers' I full English.

**Sakaki: **I see, that sounds fun.

**Christie: **Yeah, it is. Therefore, the next place we're going to

is Hatch Potch! *clicks fingers and they are now insode the cafÃ©*

**Hime: **Uweh! What-? How-?

**Chrisite: **That's what you call writer's magic. Now, let's introduce our special guest for this session!

door opens

**Penguchan: **Yo hello! Penguchan here! *does a victory sign*

**Christie: **Today's question is brought to you by none other than Penguchan! Come on and sit with us!

**Penguchan: **With pleasure! *heads over to sit with them*

**Sakaki: **Miiko-nee, is it alright if we order?

**Miiko: **Ara ara, by all means.

**Mayoi: **Nyaha! Then let's order something!

**Christie: **That's a great idea, oh, before I forget! Readers are also allowed to ask questions to Miiko-san as well!

**Penguchan: **Really?

**Christie: **Yep, that includes Sakimori, Kyouya, Kana, Ami; the mic pass girl, and sensei Kikue, who at the moment, aren't yet introduced.

**Mayoi: **Then Miiko-san, please introduce yourself to the readers!

**Miiko: **Ara ara. My name is Inue Miiko, I am Sakaki's sister. *her smile shone*

**Hime: **Uwah, I'll never smile as bright as her.

**Io: **Miiko-san's speciality I guess.

**Sakaki: **Ufufu. It takes years to practice.

**Tsumiki: **I think the only person other than Miiko-san who can smile brightly isâ€¦ *all eyes on Io, Tsumiki starts nose-bleeding*

after a while, they placed their orders and officially started the session

**Christie: **Ok, Penguchan. Tell us your question.

**Penguchan: **Alright! Well my question is what is your favourite thing you all have done as a group?

**Hime: **As a group?

**Mayoi: **Well, we've done a lot of things together.

**Sakaki: **Hmâ€¦ I think mine is the time when we cleaned the school pool.

**Io: **Why's that?

**Sakaki: **Ufufufu, because we can see a lot of napes!

**Tsumiki: **What a strange reasonâ€¦

**Mayoi: **I think mine wasâ€¦ the time I dressed as a bear and tried to scare everyone!

**Hime: **I was really scared then.

**Tsumiki: **So scared we were worried she'd scared your neck off.

**Hime: **M-my neck!? *grabbing her neck protectively*

**Io: **That was just a speculation.

**Mayoi: **Then what about you, Hime-chi?

**Hime: **Um.. Let's see, the game arcadeâ€¦ Uwah! Nonono, the kick the can.. Uweh! Nononono, the snowball fightâ€¦ Uwaah! Nonono! Umâ€¦ I guess the time we went to that log home during summer break.

**Tsumiki: **She just had a flashback of all the things that traumatized herâ€¦

**Io: **Were they really traumatizing?

**Mayoi: **Well, it is Hime-chi we're talking about... Then what about you, Tsumiki-san?

**Tsumiki: **â€¦ G-going to Io's house during summerâ€¦

**Mayoi: **Ehehe, Tsumiki-san, was it because you were about to ki- Aaahhhh! *Tsumiki pinched her thigh* T-Tsumiki-san, I-I won't say it anymore! Stop it please! It hurts!

**Io: **Where have I seen this beforeâ€¦

**Hime: **Ahahaâ€¦ *sweat-dropping*

**Chrisite: **Mayoi, you never stop, do you?...

**Penguchan: **I guess she's used to it. Ahaha.

**Mayoi: **T-then Io-san, what about you, what was your favorite time?

**Io: **Me? Hmâ€¦ I don't have a favorite time like that, I think the times when I'm with you all are my favorites.

Tsumiki and Hime had a major nosebleed, Mayoi's cheeks reddened

**Sakaki: **It's a critical hit!

**Penguchan: **As expected of Io.

**Miiko: **Ara ara. Here are your orders.

**Mayoi: **Nyaha! They look delicious!

**Sakaki: **Careful not to let it fatten you.

**Mayoi and Hime: **Aaahh!

**Christie: **Ahaha, Sakaki, let them eat in peace.

**Penguchan: **Hey Christie, I have a question.

**Christie: **What is it?

**Penguchan: **Can the cast also have individual question sessions? Because I saw the last session and I'm very interested in asking some follow-up questions, if you know what I mean. *mischievous glint in eyes*

**Christie: **Ooh, I get what you mean. *has the same mischievous glint* Of course they can, right guys?

**Sakaki: **You mean like being asked questions separately?

**Penguchan: **That's the gist of it.

**Chrisite: **Imagine it to be like a talk show, or a personal interview.

**Mayoi: **I like the sound of that. Hehehe.

**Sakaki: **I'm in!

**Tsumiki: **I don't mind.

**Io: **I guess I don't mind it either.

**Hime: **I-I don't mind that either.

**Christie: **Then it's settled, I'll notify you when it's time for your individual sessions!

**Penguchan: **Great! Then I'll be seeing you all in the future sessions with new questions and requests!

**Mayoi: **Of course! Come back any time!

**Sakaki: **Yeah, you're welcome to come any time!

**Christie: **Though it's tempting to talk a bit more, but unfortunately, it's time to end the session for now.

**Penguchan: **Eh? But what about these cakes we ordered?

**Christie: **Of course, we'll eat them behind the scenes after this ends! I wouldn't want to waste such delicious cakes!Especially Hatch Potch's!

**Penguchan: **Great!

**Christie: **Oh, before we end this session, a reply to the other reviews!

AKFanLove17: You're welcome and I'm glad you liked it! And of course, we'll look forward to seeing you again soon as well! And thanks for supporting my other Acchi Kocchi story!

RandomFandomWriting: Me too! I've always wanted to interact with the casts as well! Inform me anytime you think of a question in the review section or through PM as well!

**Mayoi: **Ooh! We'll be hearing from AKFanLove17 again? That's great!

**Tsumiki: **The more the merrier, I guess.

**Io: **Yeah, I wonder what questions AKFanLove17 asks us next time?...

**Hime: **Yeah.

**Chrisite: **Ok, its time to end session now, so here, Penguchan, your script! *hands piece of paper*

**Penguchan: **Hm.. *reads paper* Ahem, Thank you for watching, we hope to see you again soon! Acchi Kocchi doesn't belong to Christie.

**Christie: **Everyone, continue to love Acchi Kocchi! Ready go!

**All: **Until next time! *waves hands*

4. personal questions

Session 3 â€“ Personal questions

**Christie: **Hello again everyone! We have our previous guest, Penguchan here with us yet again!

**Penguchan: **Hello again! By the way, where are the cast at right now?

**Christie: **As you can see, we're in a spare room inside the Nekoge Perfectural, this place is hardly visited by anyone of the students, so we'll have no problem with eavesdroppers. I told them to come over here one at a time, while we 'interview' one, the others will wait at their class.

**Penguchan: **I see, but won't it disturb their class hours?

**Christie: **It's during the lunch break, whose bell is going to ring in a minute. So we will be able to finish 'interviewing' them by the end.

**Penguchan: **I think we can by the- wait, what about Miiko-san? She doesn't attend school here like the others.

**Christie: **We head over to Hatch Potch the same way we went at the last session, with Author's magic!

bell rings

**Penguchan: **The bell rang. We should be expecting who first?

**Christie: **I guess its Mayoi. Since I informed her to come over first, we'll let her call the others as she goes back.

door opens

**Mayoi: **I'm here! Oh, Penguchan's back!

**Penguchan: **Hello again, Mayoi! I have a very big question for you!

**Mayoi: **Nyaha, fire away!

**Christie: **You might wanna sit first, it might be a shock.

**Mayoi: **Hah! How serious of a question can it be to seriously shock me!

**Penguchan: **You asked for it. Ahem, I saw the 2nd session and now you got me curious, who is your crush?!

**Mayoi: **Haaa! *jumps in surprise*

**Christie: **Told you it'd be a shockâ€¦

**Mayoi: **Wait wait wait, are we supposed to answer that?! *blushing*

**Chrisite: **Well *checks rules from a clipboard*, it doesn't break the one rule of not asking for a kiss, so yes, you have to answer.

**Mayoi: **You've gotta be kidding meâ€¦ Ah well, it's a personal interview so there's no harm, unless you two tell it on, please promise to not tell the others!

**Penguchan: **Your secret's safe with me!

**Mayoi: **Nyaha! Thank you! Ahem, well, it's not that much of a crush like Tsumiki-san's but I have feelings forâ€¦ Sakakiâ€¦

**Penguchan: **Sakaki? Who knew, right?

**Christie: **Yes, who knew indeed!

**Mayoi: **There I said it! So, any more?

**Christie: **Well, what is the reason?

**Mayoi: **I guess it's because we really get along like when we play pranks. And he's also funny, I guess? I can't really explain in detail! *blush*

**Penguchan: **Thanks, that's all I need to know!

**Mayoi: **Then I'm 'dismissed'?

**Christie: **Yeah, and can you tell Sakaki to come over?

**Mayoi: **Right-o! But please don't tell him of all people!

**Christie: **We won't, don't worry!

**Mayoi: **Ok, then I'll call him over! Have a nice day! *leaves the room*

soon Sakaki entered the room

**Sakaki: **Ossu! Ah, Penguchan, you're back I see, like you said! How've ya been since the last session?

**Penguchan: **Oh, I was just hyped to ask you all these individual questions after that last session!

**Sakaki: **That's good to hear! So, what's your question for this lovely boy?

**Christie: **You mean 'lively'â€¦

**Sakaki: **Hey!

**Christie: **Sorry, just wanted to do a follow-up then.

**Penguchan: **Well, the question I want to ask you is who is your crush?

**Sakaki: **Wh-what?!

**Christie: **Before you argue about it being 'forbidden' or not, it's not forbidden to answer a question like that.

**Sakaki: **Sigh, oh well. So I'll just get to the point, my crush isâ€¦

**Chrisite & Penguchan: ***Gulp*

**Sakaki: **â€¦Mayoiâ€¦

**Christie: **â€¦Wowâ€¦

**Penguchan: **What a shameâ€¦

**Sakaki: **What? You were expecting for me to say some other girl's name?

**Penguchan: **No, I didn't mean it like that. Just for another reasonâ€¦ Right, Christie?

**Christie: **Yeah, a shame indeedâ€¦

**Penguchan: **Then what are the reasons?

**Sakaki: **Hmâ€¦ I guess I'm attracted to her liveliness, can't really put it into words. *faint blush appears*

**Christie: **I see, they're so alike.

**Penguchan: **I get what you mean.

**Sakaki: **Hm? Did you say something?

**Christie: **Nope, nothing. You can go back now.

**Sakaki: **You're making me leave just like that?!

**Christe: **Yeah, we need to finish the interviews before the bell rings. And make sure to call Io over.

**Sakaki: **Got it, see ya! *exits room*

**Christie: **Sigh, if only they knewâ€¦

**Penguchan: **Yeah.. Sighâ€¦

soon Io arrives into the room

**Io: **Hello, you called? Oh, Penguchan, greetings.

**Penguchan: **Hi, Io! No need to be so formal!

**Io: **Ok. Um, I heard that you have a question for me.

**Penguchan: **Yes yes, come and sit first!

Io sits on the chair

**Penguchan: **Well, the question I want to ask you isâ€¦ *slams hand on desk shocking Io and Christie* Why are you so dense!?

**Io: **W-what?

**Penguchan: **I mean, Tsumiki gave you a lot of hints! Mayoi, Sakaki and Hime helped sometimes too! Why can't you notice those? It's making me and other fans around the world cry!

**Christie: **I-I'm sure they're not all cryingâ€¦ *sweat drops*

**Io: **Hmâ€¦ It's not like I'm dense or anything like that, I think.

**Penguchan: **Then why can't you notice those advances?

**Io: **I guess it's because I'm giving her time to think it out. Like if I'm really the one or something like that.

**Penguchan: **Io, sometimes you're too nice.

**Io: **I hear that a lot.

**Christie: **Penguchan's right, if you don't make a move quickly, Tsumiki might be snached away! *crying at the thought*

**Penguchan: **Woah, she actually did cry!

**Io: **Snachedâ€¦ away?...

**Penguchan: **You don't want that to happen, do you?

**Io: **I guessâ€¦ *faintly blushing* I'll think of a way, I hope.

**Christie: **Yeah, do your best Io! We, the fans are rooting for ya! *fist pumps in the air*

**Io: **Y-yeahâ€¦ Um, is that all then?

**Penguchan: **Yes, thanks for your cooperation.

**Io: **Then I'll take my leave *stands up*â€¦ Is there anyone to call over?

**Christie: **No need, we're done over here. We just need to go to Hatch Potch later.

**Io: **I see, then I'll see you later, bye.

**Christie: **Io!

**Io: **Hm?

**Christie & Penguchan: **Good luck!

**Io: ***sweat-dropping* O-k? *leaves room*

**Christie: **Now, the only person left is Miiko-san!

**Penguchan: **Let's go!

Christie clicks her fingers and they were now magically teleported to Hatch potch

**Miiko: **Ara ara, you came back. It's been a while.

**Christie: **Yes, Miiko-san. We're here to have an interview with you!

**Miiko: **Ara ara, then what would you like to know?

**Penguchan: **Well, I was thinking, do you enjoy running Hatch Potch or is it sometimes stressful?

**Miiko: **Hmâ€¦ My dream was to run a sweets cafÃ© like this so you could say I enjoy running Hatch Potch. I love seeing customers' happy faces as they eat the cakes and leave with smiles on their faces. Of course, there are busy times and sometimes we get orders to deliver cakes to various places, and the work can be tiring at times. But, aside the fact that Sakaki and the others are helping me, I forget all my tiredness whenever I see the happy faces of the customers.

**Penguchan: **Wow, you really enjoy running Hatch Potch huh.

**Miiko: **Yes, I wouldn't trade it for any other job in the world.

**Penguchan: **That's some devotion!

**Christie: **Well, if it's a work you really love, then I guess I can understand.

**Penguchan: **Yeah. Thank you for the wonderful answer Miiko-san!

**Christie: **Yeah, it makes even me want to run a sweets cafÃ©!

**Miiko: **Ara ara.

**Penguchan: **Now I'm done with my current questions for now.

**Christie: **Then I guess it's time we end the session for now.

**Penguchan: **Then, let's wrap it up for today.

**Christie: **You got it. Ahem, thank you for reading! *looks at Penguchan*

**Penguchan: **I got this, continue to support Acchi Kocchi!

**Christie: **Also, I don't own Acchi Kocchi. Ready-!

**Christie & Penguchan: **Until next time! Bye!

5. RandomFandomWriting

Session 4 - RandomFandomWriting

Christie: Hello again, everyone!

Hime: H-hello.

Mayoi: Nyaha, it seems we're all here today!

Sakaki: Yeah, we've got Sakimori and the others with us today.

Sakimori: Yeah, we heard about these sessions you guys used to have, and Christie imvited us here today.

Kana: I'm lookimg forward to this! I wonder what questions we will recieve today?

Kyouya: Who is our special guest anyway?

Christie: Our guest today has been a great supporter and the source of my motivation to continue my other story of Acchi Kocchi! Please welcome, RandomFandomWriting!

comes in the class

RandomFandomWriting: Uh, is it ok to enter class like this? Don't you have classes?

Sakimori: Nope, classes ended a while ago due to certain circumstances.

RandomFandomWriting: That's reassuring. Then let me get my gear on for the questions!

Kana: It sounds like it'll be lots of questions!

Mayoi: Who cares? We'll answer em all!

Christie: I heard Tsumiki's not included in this question.

Mayoi: That's not fair! Why does Tsumiki get to be the one that doesn't recieve qurstions again?

Tsumiki: I answered to a question from Penguchan before.

Mayoi: But that's the only one!

RandomFandomWriting: Alright! The question is-!

Hime: Uwah! That's sudden!

RandomFandomWriting: I want to know what kind of animals will you all be, in the case you turn into one. We already know Tsumiki will be a cat anyway, so she doesn't need to be said.

Tsumiki: What...? *rage building*

Christie: T-Tsumiki! Don't get mad at our guest!

Tsumiki: ... Do I really resemble s cat?...

Io: *pats her head* yeah, a cute cat.

Tsumiki & Hime: *nosebleeds*

Christie: *gives a thumbs up to Io*

Sakaki: What kinda animal will we be, huh.

Kana: I think Hime will be some kind of a cute animal!

Sakimori: Kyouya will be...

Kyouya: *gulps*

Sakimori: A 'kimoi' animal!

Kyouya: I don't want to be that kind of animal!

Tsumiki: Mayoi fits a hyena.

Sakaki: That's an interesting choice. Why's that?

Tsumiki: A hyena seems like it'd be ignored even if it makes a joke.

Mayoi: That hurt! I don't want to be a hyena!

RandomFandomWriting: Ok, Mayoi's a hyena, check! *writes on clipboard she took out from who knows where*

Mayoi: Nooo! Don't write it down!

Sakaki: Hahaha!

Mayoi: Then, Sakaki will be a monkey!

Sakaki: Whaaat?! I am not a monkey!

Io: A monkey and Sakaki... I think it suits you. *glint in eyes*

Sakaki: Io, not you too! Don't write it dow-!

RandomFandomWriting: Alright, Sakaki's a monkey, aaand done. *stops writing at clipboard*

Sakaki: My broken heart!

Kana: Then what about me?

Sakimori: Well, I think a racoon?

Hime: Racoon?

Mayoi: I guess she does fit the image of having a racoon's tail.

Tsumiki: Mayoi just have to laugh by herself to fit a hyena's image. *smirk*

Mayoi: Stop teasing me!

RandomFandomWriting: Kana is a racoon, *scribble, scribble* done!

Kana: Then Sakimori-san will be a fox, or a vixen.

Sakimori: A fox huh.. I like that!

Kyouya: You fit the image so well.

Sakimori: Why thank you, Kyouya. Then how about I name you?

Kyouya: No thanks! It'll probably be something 'kimoi'!

Mayoi: I think Hime-chi fits a fawn!

Hime: You mean, like a deer?

Tsumiki: True, she does seem like a fawn... newborn. *remembers the incident where she was swept away by the wind with the umbrella in the manga*

RandomFandomWriting: Sakimori's a fox, Hime's a fawn, *scribble, scribble*, hm.. all that's left is Io and Kyouya.

Tsumiki: I-I think Io would be a... nice lion...

Io: A lion? That's surprising. Why's that?

Tsumiki: W-well, some lions are caring and a-affectionate...

Mayoi: Hweh hweh hweh, Tsumiki-san, then you'd have to be a tiger to- hmmph! *Christie shuts her mouth with tape*

Christie: Mayoi, I said this 'show' can't be rated M!

Mayoi: *pulls away tape* fwah! Sorry sorry.

Kana: Let's move on to Kyouya!

Kyouya: No 'kimoi' business, Sakimori.

Sakimori: Rest assured, I won't.

Sakaki: Hm, what would resemble Kyouya I wonder.

Io: Hm... A dog?

Kyouya: A dog, huh... That means Id be really loyal and playful! That's quite good!

Sakimori: Kyouya, your self-explanation is... kimoi~ *smiles*

Kyouya: Stop that will you!

Sakaki: Hm, I guess it fits him.

RandomFandomWriting: Ok, Io's a lion and Kyouya's a dog. *scribble, scribble* There, I've finished my questions, we can end

session now~

Mayoi: That's straight forward!

Sakaki: Can't we have more air time?!

Sakimori: There'll be future sessions for more air time, Sakaki-san.

Christie: Ok. But before we end it, a notice to the readers, I won't be updating regularly like this for a while.

RandomFandomWriting**:** What? Why?!

Christie: School starts this week! But rest assured, I'll still update every Saturday to Sunday, or as soon as I'm done with your requests! So don't be afraid to send more questions and requests!

RandomFandomWriting**:** That's reassuring, I was scared for a moment there, like you were gonna end this session and the 'show' all at once or something.

Christie: Ahaha, that's not gonna happen soon!

RandomFandomWriting: Then I'll look forward to future sessions!

Christie: Please do! And to the others reading this as well! Look forward to them! And to Penguchan, I'm so so so happy you liked it!

RandomFandomWriting: Alright! Thanks for reading! Keep loving Acchi Kocchi, you hear?!

Christie: I don't own it though! Ready, go!

All: See you next time!

6. Sakimori's question

Session 5 - Sakimori's question

Christie: Hello again, everyone! It's been a while since the previous session.

Sakimori: Say, am I the only one here for this session?

Christie: As a matter of fact, yes! This is your personal session!

Sakimori: I see, so that means the question I'm gonna get is a private one.

Christie: I guess that's one way of thinking. Now, without further ado, let's call today's special guest, the one and only

AKFanLove17!

AKFanLove17: *enters room* Hello again! It's been a while!

Christie: AKFanLove17, I'm so gald we got to meet again!

AKFanLove17: Yea, me too! I just loved those previous sessions by the way.

Christie: Glad to hear! Sakimori, this is AKFanLove17, the first special guest for this 'show'!

Sakimori: I see, it's an honour to meet.

AKFanLove17: Likewise.

Christie: Now then, shall we start the question asking segment?

AKFanLove17: With pleasure. Ahem, Sakimori, do you actually like Kyouya or do you just enjoy teasing him?

Sakimori: Do I, or do I not? That is the question.

AKFanLove17: What?

Sakimori: Haha, just messing with you. Hm... Truth be told, I do actually like Kyouya.

AKFanLove17: I knew it! *eyes start sparkling in joy*

Sakimori: He can be quite nice sometimes, and it's also really fun to tease him.

AKFanLove17: So, it's not like you hide your feelings for him by teasing him?

Sakimori: Yes, it's my way of hiding my feelings. But, like I said, it's fun to see his expression when ever I tease him!

AKFanLove17: That's straight-forward!

Sakimori: Haha! So, any other questions?

AKFanLove17: Not at the moment thanks for answering my question!

Sakimori: You're welcome!

AKFanLove17: Say, Christie, I thought you said you won't update unless it's Saturday or Sunday.

Christie: Yeah, I said that, but I had some free time and lessons at school aren't all yet started so I could make thid update. But I think from next week, I'll stick to updating at Saturday or

Sunday.

AKFanLove17: I see. Then I'll look forward to them as always!

Christie: Please do.

Sakimori: Is it time to end session?

Christie: Yeah, it is.

Sakimori: Thanks for 'watching' everyone!

AKFanLove17: Keep loving Acchi Kocchi!

Christie: I don't own it, by the way! Ready-

All: Until next time, bye!

End file.
